Coleman Couple Wed 50 Years

Mr. and Mrs. R. M. Greenhalgh of Coleman celebrated their 50th Wedding Anniversary at an open house affair held at the home of Mr. and Mrs. Harold Jones of Coleman on June 18th.

For the occasion some 60 friends called in to visit the happy couple and to bid them happy returns.

Attending the guests were Mr. and Mrs. Greenhalgh's daughter, Mrs. Emily Guehard of Calgary.

During the afternoon a number of gifts from the family were presented to the couple by their grand daughter Diane, as well as gifts of bouquets of flowers and other items from friends.

The couple also received two letters of congratulations — one from Dr. Lawrence Kindt, MP of Ottawa, and from Prime Minister John Diefenbaker.

Assisting with the serving of the guests at the affair was Miss Leah Jones of Calgary, daughter of Mr. and Mrs. Harold Jones, who are a niece and nephew of Mr. and Mrs. Greenhalgh.

Attending the affair from out of town were Mr. and Mrs. P. Wheatcroft of Calgary, Mrs. James Downey of Blackie, and Mr. and Mrs. Ralph Sherwood of Barons.

Mr. and Mrs. Greenhalgh were married on June 15th in Lancashire, England, and came to Coleman shortly after they were married in 1910. They have resided here since, where Mr. Greenhalgh worked at the mine.

The couple have one daughter Emily of Calgary, and lost one son Fred in Coleman in 1934. They have two grandchildren, Richard in Calgary and Diane in Nelson, B. C.

Mr. and Mrs. Greenhalgh are both enjoying excellent health.

Local Witnesses To Attend Convention

Mr. W. L. Krish, presiding minister of the local congregation of Jehovah's Witnesses, announced today, June 27th, that the Coleman congregation of Jehovah's Witnesses has been invited to attend a four-day convention to be held at the Edmonton Gardens and Sales Pavilion, Edmonton, Alberta, July 28 - 31. Mr. Krish will head the local delegation of about 10 persons.

Upwards of 10,000 are expected to attend the Edmonton convention which will take place in an area from the Great Lakes to Vancouver Island in Canada, and many of the northwestern states. This will be one of three Canadian assemblies arranged for by the Watch Tower Bible & Tract Society of Toronto.

"These will be called 'Peace Pursuing District Assemblies,'" said Mr. Krish. "Their purpose is to stimulate Bible instruction with particular stress on Christian unity in a troubled world."

Mr. Krish also reported that the final public address to be given at 3 p.m. Sunday, July 31, would be one of more than passing interest to lovers of righteousness, being entitled "Security During War of the Great Day of God the Almighty."

Letter to the Editor

Peace River, Alta.
June 30, 1960

Dear Tom:

There are so very many friends we should write to in Coleman that it is high impossible, so I thought we would use the medium of your paper, Tom, to give them and yourself the low-down.

First we would mention that we do miss them all, and the kindness displayed during our four years there.

As you probably have heard by now our old faithful, the 47 Dodge breathed its last and now reposes on a junk pile in Claresholm with a rod through its engine. However, with a lot of tinkering we are now the proud possessors of a '35 Olds that runs like a clock.

Our journey through the 350 miles of brush country from Edmonton north went smoothly.

We found Peace River to be a beautiful little town nestled on the banks of the mighty Peace, and were delighted at its scenery, especially our home which looks out over the River. The office is, of course, a lot larger, as is the staff and with a very long main street is the hub of the country for miles around.

The people who are mostly newcomers, are very friendly and already we have made many friends. Such friends as Mel, Jim, Arnold, Pab, Kinneer, Roy and Shorty have no fear of receiving pictures of the large fish catches up here. They say pike, pickerel, perch and jack are fish but I'm not inclined to agree. Trout is just something you dream about and perhaps catch on holidays down south.

Our holidays are fast approaching and it could be that the lure of Rosen Lake still holds us in its spell.— If it does we will be home to old friends about the 12th of July at the Lake.

Our very best to you all, and a special thanks to the Lions Club, and Board of Trade for the wonderful evening at Chalmers' pavilion on the Sunday before our departure.

Sharen, David and Teddy want to be remembered to all of their friends and although getting on well here, miss them very much.

To Dave and Roy I hope to see them at Dunvegan on August 31. May your comfortable town continue to prosper and grow.

Velmar and Ed Howard.

Mrs. Kostelnik, well known in the Crows Nest Pass, has been a member of the Coleman O.O.R.P. for the past thirteen and a half years and during this entire period acted as a soloist for the lodge.

She has been captain of the drill team for nine years and has gone through all of the lodge offices.

Rodeo Plans All Set

Plans for the Coleman Rodeo to be held here July 9th are now completed and from all appearances the day will be another bang-up success.

The affair will get underway on Friday night when a bingo will be held in the Coleman arena where a \$500 cash jackpot prize will be awarded for a blackout bingo in 56 numbers. In order for this prize of \$500 to be awarded there must be an attendance of 700 persons or the jackpot prize will be reduced accordingly to the attendance.

Should the jackpot not be won Friday night the \$500 prize will be awarded at the band concert Saturday night in the Coleman arena when five games of bingo will be played for \$100 per game.

There will also be other prizes for the bingo night.

The Vancouver band will present a concert on Saturday night in the Coleman arena. The bingo Friday night will commence at 8:15 sharp. Extra cards will also be available for the players.

On Saturday morning the annual Rodeo Parade will form up on the flats south of the Satellite Cafe, and those persons and companies entering floats are requested to please have the floats on the ground as early as possible in order to give Parade Marshal Angelo Gentile and Jim Montalbetti a chance to organize the various sections so that

the parade can march off at 12:00 noon sharp.

Four well known bands including the Vancouver Boys' Band, have been arranged for and will head the four sections of the parade. It is anticipated that several other bands will be in attendance to lead the many floats and decorated cars that will be in the parade.

The parade will assemble on the flats and follow the same route as last year.

At 2:00 p.m. the Rodeo will get underway under the direction of Mrs. Rosemary of Rosemary, who will be assisted by Rodeo President Bill Fraser of Coleman.

The Rodeo will feature saddle bronc and bareback bronc riding, calf roping, steer wrestling and Brahman bull riding. Several professional cowboys have been arranged for the protection of cowboys and entertainment of the audience.

The show is a member of the CPA and ITRA. Admissions to the Rodeo have been set at \$1.00 for adults and 50c for children. Grandstand seats are 25c and car parking in the grounds are charged 25c.

Armando Deluca will act as Rodeo secretary and Orazio Celi will be the treasurer.

Following the Rodeo the wind-up band concert to be presented by the Vancouver Boys' Band will be held in the Coleman arena.

Kimberley Firemen Take Top Honors

The crack Kimberley, B. C., hose laying team took top honors at the annual Hose Coupling competitions held in Coleman on July 1st.

The affair got under way after the 13 teams of competitors paraded around the Coleman main street to second street where the competitions were held.

All events were timed by an electric clock operated by Jack Stewart of the Saskatoon Fire Engine Company of Saskatoon.

The speedy runs saw the final results wind up with only two-fifths of a second difference in times on the teams best runs.

Winners were, Kimberley, with a time of 21.2 seconds; Blairmore Volunteer Fire Brigade with a time of 21.4 seconds; RCAF team of Calgary, with a score of 21.9 seconds and fourth place was taken by Coleman Volunteer Fire Brigade with a score of 22.3 seconds.

Other entries in the affair were teams from Village of Bellevue, Leithbridge, Coleman Collieries, Red Deer, Bowness, Bellevue, West Canadian Collieries, Coaldale and Milk River.

In the second competition which featured a new event where firemen had to connect to Coleman's new pump unit, winners were — Kimberley with a score of 20.7 seconds; Coleman Volunteer Fire Brigade, 22.3 seconds, and third, the Calgary RCAF team with a score of 23.7 seconds.

In the junior event for Cubs

the Bellevue team took top honors with a score of 16.3 seconds, and Coleman Second with a score of 19.2 seconds, while the Blairmore Cub team registered no time.

Following the competitions a banquet supper was held in the Elks hall where some 150 firemen, their wives and friends enjoyed a social evening.

Following the banquet various trophies and prizes were awarded to the winning teams and the team members. The presentations were made by William Mackay of the Fire Commissioner's office in Edmonton, who presented the Bedard trophy; Captain Armando Deluca, of the Coleman team, who presented the prizes for Wilson and Cousins; Jack Stewart on behalf of the Saskatoon Fire Engine Company; Deputy Mayor Joe Wavrean; W. Shee of the Safety Supply Company of Calgary, and Fire Chief Harry Zak of Coleman presented the Butcher and Supply Awards.

In making the presentations to the winners, short addresses of congratulations were made on behalf of the donors while thanks were ably expressed by the captains of the winning teams.

Following the presentations the firemen enjoyed an evening of dancing with music supplied by Ed's orchestra.

The draw for the Toast-R-Oven was won by a Leithbridge man whose name at the time of going to press we could not find out.

To The Citizens Of Coleman...

Do you know that in Coleman we have a child who is a victim of poliomyelitis, and is being cared for by the Polio Foundation in Edmonton, which is under the sponsorship of the Canadian Legion?

All expenses such as hospitalization, doctor, transportation, special boots, etc., are being paid for by the Polio Foundation.

The Coleman Legion, branch No. 9 are now beginning their Polio Campaign for Funds, and when the canvassers call, treat them with courtesy and be as generous as possible.

We, the people of Coleman, are fortunate that we have only one case of Polio in our midst.

Be thankful that your child is not a polio victim.

If the canvasser fails to call, please send your donation to the Secretary, Coleman Legion.

Quite recently a portable pulmotor for artificial respiration was presented to the Crows Nest Pass Municipal Hospital by the Polio Foundation. This modern machine was given to the citizens of the Crows Nest Pass because of the generous response to the Polio campaign.

New Minister At St. Paul's United Church Arrives

Rev. and Mrs. Rod MacAulay and four daughters of Coleman left town last week for Winnipeg, Man., where Rev. MacAulay has been transferred to serve at the All Peoples Mission centered around St. Giles Church.

Schools Close For Holidays

Coleman schools closed for the summer holidays Thursday, June 30th and while teachers and students are enjoying holidays, workmen will be repairing the various rooms in the school, while other repair jobs will also be underway.

A number of the graduating students have accepted jobs for the summer months to raise funds to assist them with their new studies at universities and colleges they will be entering this fall.

Meanwhile 50 new pupils have been registered with Secretary Nora Goulding, to commence school this fall. Mrs. Goulding has also announced that there is only one change on the teaching staff as the board have hired Mrs. Helen Melan to teach grade five at the Cameron school.

The fellowship will enable Dr. Allen to continue post-graduate training in neurosurgery at the Mayo Clinic beginning in July. Dr. Allen is the son of Mr. and Mrs. Edgar Allen of Coleman. He was born at Wayne, Alberta, and took his public and high school in Coleman, after which he entered the University of Alberta in Edmonton in 1950.

OF MANY THINGS (By Ambrose Hills)

Socialism Costs Money

A friend of mine told me the other day that I waste my time writing about socialism.
"Socialism cannot exist for very long," said he. "Little by little, the people begin to see that socialism is expensive. When payments for social services start to really pinch, they will come to realize that a dollar sent to Ottawa comes back badly shrunk. The day is getting closer when politicians will hesitate to promise more socialist schemes because the voters are getting wise to the fact that they must be paid for."
He may be right.

However, governments — all governments — are inclined to hide the cost of social services. They take the money out of the good old General Fund. The people don't know what they are paying for — they only know they don't have much money of their own left for spending of their own choice. A few provincial governments have the courage to let the people know what various social plans are costing, and such rare government courage ought to be applauded.

Business, too, is inclined to pay up for welfare costs, without telling people about it. Businessmen ought to make it very clear that they pick up the check for a large portion of the handouts, and when business doesn't make money, social services are going to suffer.

Socialists get away with the most ridiculous claims from time to time. They will talk about the success of some state-owned enterprise, never once admitting that it had access to free capital, or that past failures weren't charged up against it.

The New Party, financed by union members who fail to contract out, will have a fortune at its disposal for propaganda purposes. The socialist war chest will be full to overflowing. With such funds, it would be foolish indeed to think that socialism is going to pass out of the picture in a hurry.

The need to write about the dangers of socialism is, in my opinion, greater than ever. Socialists have attained influential positions in almost every important organization in Canada, and they are thus able to wield power far in excess of their numbers.

OF MANY THINGS (By Ambrose Hills)

"Don't Argue With Cops"

The fellow was talking to his poolroom pals. Said he, "I have given my daughter three don'ts only. They are simple."

I listened. Here, I thought, will be the distilled wisdom of a father advising someone about whom he cares a great deal. Usually, the advice parents give to children is pretty sound.

The fellow enumerated his points by stabbing a finger into his palm. "First, I told her not to argue with her teacher. She did — and got tossed out of her biology class for insubordination," he said. "Second," he said, "I told her never to argue back to her Ma. I have tried it myself and I know it doesn't work."

It was his third "don't" that amused the spectators most and brought a good many emphatic nods of agreement. "Don't argue with traffic cops!" he advised his daughter. "Even when you are right, you're stuck."

I think it is probably wise not to argue with policemen, especially very young policemen. We are a nation with tremendous respect for the law, and we ought to be. There was a time when the uniform of the Mountie was about the only law in the wild and wicked west. A good deal of glamor sticks to the young men in Mountie uniforms today.

There is no doubt a few of them abuse this prestige. They grow cocky. They make mistakes. Some of them love to drive their high-powered cars far too fast for safety. One admitted recently, before a magistrate, that he had driven his car at 60 miles per hour through a school zone in pursuit of an automobile which, at that time, he was not certain was speeding. It was altogether likely that he was acting more dangerously in his zeal than was the motorist he chased — for the motorist had slowed down to thirty to go by the school.

Nevertheless, a magistrate feels impelled to take the word of a com-

stable over that of a citizen; or, indeed over that of two citizens, however reputable they may be.

Unfortunately, this sometimes leads to situations where people have more respect (or fear) for the Mountie than they have for the courts themselves, and thus plead guilty even when convinced of their own innocence.

So I say, "If you are right, argue with the cops. It won't do you any good, perhaps, but it will do this country good. Unhealthy fear of a uniform, especially by an innocent person, is a bad omen for a nation. We don't want any of it here in Canada where a man should be presumed innocent until he is proven guilty!"

Bible Camp At Crows Nest

The Canadian Sunday School Mission have announced this week that the annual Bible Camp will again be held at Crows Nest Lake this year from July 25 to July 31.

The camp is interdenominational and is conducted by the Canadian Sunday School Mission.

The camp is open to all from ages eight to 18 years and camp fees this year has been set at \$6.00 plus 50c for insurance which will cover accident or sickness.

The camp will be set up on the west shore of Crows Nest Lake, and the camp will begin with the first supper being served on July 25 and the last meeting to be held Sunday, July 31 at 2:30 p.m.

All those young people planning on attending the camp are required to bring Bible, notebook and pen-ril, bedding, towels and soap, sufficient clothes for one week and campers are reminded to mark all their articles with their own name.

Besides inspirational Bible studies and challenging Missionary messages the youth will be provided with supervised outdoor recreation which will include hiking, swimming, ball games and all types of pastime to meet all physical needs.

The Bible lessons will be centered around the theme "The Eternal God" and it is felt that such a program will leave the young people well satisfied on completion of the camp.

Since the camps are growing in size each season those planning on attending the camp should obtain an application form and fill it out without delay in order to ensure accommodation at the camp.

Applications and more information may be obtained by contacting Tom Conway at Box 113, Blairmore.

Coleman Hotel Undergoing Improvements

Workmen are busily engaged this week completely redecorating the interior of the Coleman Hotel that was taken over by Jack Ostash earlier this spring. They have been busy for over a month now and have completely redecorated twelve rooms on the first floor and are now completing the work on the second floor. A number of complete new bedroom suites have been added.

Carpenters are going full time in order to have a new ladies and escorts room open for Friday, July 8th for the Coleman weekend. The new extension includes the dining room and kitchen section of the former Coleman Cafe, which will feature a separate entrance on the east side of the building with the main entrance on the south side of the hotel. Both entrances have been marked with new neon lights which add to the main street. Mr. Ostash has indicated that plans are now underway to completely remodel the front section of the cafe which will be converted into a short order cafe.

Mr. Ostash plans to have the ladies and escorts room open for July 8th and an official opening of the premises will be held next month.

Former Pass Girl Wed In Spokane

Miss Lucy Jeanette Amatto, the daughter of Mr. and Mrs. Frank Amatto, formerly of Blainmore, and now of Nelson, B. C., was wed at the Cathedral of Mary Immaculate to Anthony Charles Martino, son of the late Mr. John Martino and Mrs. Martino of Spokane, Wash.

Rev. J. F. Monaghan officiated at the ceremonies, which attracted persons from Nelson, Spokane, Blainmore, Michel, Vancouver and Kelowna.

The bride, given in marriage by her father, was beautifully gowned in traditional rose point chantilly lace on tulle over peau de sole. A portrait neckline accented with seed pearls and sequins enhanced the lace bodice, which featured lily point sleeves. Lace extended below the fitted bodice, over a frothy, bouffant skirt which reached the floor. A tiara of seed pearls held her chapel veil of illusion nylon and her cascade bouquet was of gardenias and white snapdragons.

Front bows were style features of the mint green gowns of the bride's attendants who were identically styled waltz-length semi-formals, with French Alencon lace bodices and taffeta skirts. Their bouquets were of orchid-hued carnations. They wore matching veils held by crystal headpieces.

Mrs. Fred Schilling of Blainmore, sister of the bride, was matron of honor and bridesmaids were Misses Tony Carria, Maxine and Nancy

Donahue of Spokane.

Little Janice Koenig of Kinnaird, as flower girl, wore a frock of lavender nylon with lace inserts and head bandeau of orchid baby 'mums. She also carried a basket of baby 'mums. Ring-bearer was Randy Stella of Spokane.

The bridegroom was supported by his brother Rocco Martino and the ushers were Charles Enselmo, Rocco Amatto and Fred Unonaro. Soloist for the affair was Eric Buckley accompanied by organist Miss Cecilia Buckley.

Assisting in the receiving line at a reception held in the Canadian Legion hall, the bride's mother wore a rose dress with white accessories and carnation corsage. The mother of the groom wore a dusky blue dress with white accessories and a white carnation corsage.

A four-tiered wedding cake centered the head table and was set on white tulle and flanked by bouquets of mint green chrysanthemums and glowing white tapers in silver candle-holders.

The cake was made by the bride's aunt, Mrs. P. Ancerelli of Trail, and decorated by Mrs. Hugh Armstrong of Nelson.

Master of ceremonies at the reception was Rocco Martino, who read some 40 telegrams of congratulations, one from an uncle of the bridegroom in Pichina, Italy.

Until the arrival of the orchestra the bride's brother Donnie entertained with his accordion.

Over 300 guests attended. For her wedding trip to San

Francisco and other U. S. points the bride wore an olive green sheath dress with matching bolero, beige accessories, yellow rose corsage and pearl bracelet and earrings which were a gift of the groom.

The young couple have made their home in Spokane, Wash.

PROUDLY WESTERN

Based on John O. McHugh's description of May 24th Celebrations
in Calgary's First Chinatown about 1901.

Behind their placid faces Alberta's Chinese pioneers hid a fierce desire to succeed in this new land. They had come to Canada with little but hope—to work as lowest class laborers on railway construction crews or to toil in the British Columbia gold fields. By the turn of the century they had gained a place in Alberta's economy as operators of restaurants and laundries.

Always shunned, sometimes feared and often scorned, they had but one bridge to cross the chasm which separated them from Alberta's occidental population: extreme patriotism for Canada and a child-like love of demonstrating that loyalty with noisy, exuberant fireworks displays on such occasions as the Queen's birthday.

It was enough: today Alberta's Chinese are regarded as respected members of the community, gifted in the art of cuisine, conscientious in matters of civic welfare, and hospitable in sharing the Oriental glamour of the "Chinatowns" with their white neighbors. The color woven into the tapestry of Alberta's development by its Chinese pioneers is proudly recognized by another Alberta pioneer.

**TROPHY SHOOT WILLOW
VALLEY REAL SUCCESS**

Attracting scores of sportsmen from Calgary south to the United States border, the Willow Valley Trophy Club annual shoot held at the F. Lynch-Staunton ranch 12 miles north of Lundbreck last week-end proved itself a very successful event.

Getting underway at 10:00 a.m. sharp, the shooting continued all through the day until 8 o'clock in the evening in order that the many competitors complete their rounds.

All medals given away at the colorful shoot were kept permanently by the entries while the trophies are held for one year unless a sportsman won the same trophy for three years in a row after which he becomes the permanent owner of the trophy. The Ladies of St. Martin's Church provided a very tasty turkey dinner for the sportsmen and during the evening a lunch was served.

Winners in the various events held during the day are:

22 rifle competitions, five man team for the Wadena trophy, Bud Schmidt, Fred Hallsworth, Francis Craddock, Charles Foot and Gordon Saunders of Taber, with score of 574, second prize, Livingstone team scored 566. Bernard Smith, George Dionne, Hilton Pharis, Marcel Dejax and Jim Dejax of Cowley.

Highest individual score in the team match for the Blackburn trophy was won by Ralph Salt of the Cardston team, who registered a score of 119 plus 3.

Pass Hit
By Hail

A heavy cloudburst mixed with a hail storm hit the Crows Nest Pass area shortly after 2 p.m. on Wednesday afternoon and although no heavy damage was reported to homes, gardens in the area took a pounding.

"Traffic Toll
Appalling" . . .

Prime Minister Diefenbaker has called on all Canadians to co-operate in Canada's nation-wide summer vacation campaign to control the "in-a-hurry" drivers who risk their lives and the lives of others to get where they are going as fast as they can.

Called "Slow Down and Live", the drive opens through June, July and August, sponsored in Canada by the Canadian Highway Safety Council simultaneously with the U. S. and Puerto Rico.

Referring to Canada's 1969 traffic toll of more than 3200 lives, the Prime Minister writes "Everything must be done to combat this senseless loss of life". He urges motorists to obey traffic laws and drive carefully at all times.
